Short basting stitches

Full guide

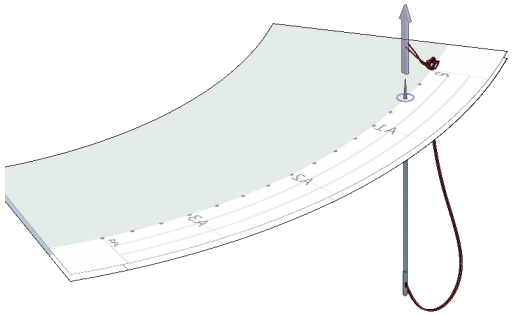

1 Find the halfway dots

Step help

Use the unnumbered dot halfway between each pair of numbered dots. These stitches are half the usual length.

2 Return at the halfway dot

Step help

After going down through A0 on both pieces, come up through the halfway dot on both. Keep the thread doubled and red.

Short basting stitches

3 Continue with short stitches

Step help

Alternate down and up at numbered dots and halfway dots. Follow the curve; pull snug without gathering.
